Attention: Mr. William Casey  
Director

Dear Mr. Casey:

We're suggesting to responsible government officials that family fingerprinting be included in family protection programs, especially orientation and educational forums for employees and their families operating in an overseas environment.

Fingerprinting is an excellent opportunity to focus on family safety, travel safety, and remind employees about the importance of personal and family protection.

We have many years of direct experience in helping and doing public service fingerprinting. We're proud of our record in this campaign, and to date we've helped important groups to fingerprint over two and a half million children around the country. We've helped folks like you to fingerprint 60,000 children in Orlando, Florida - Channel 6 TV, 20,000 children in Macon, Georgia, most recently 5000 children in Fort Wayne, Indiana, 12,000 in Los Angeles, California, and 14,000 in San Antonio, Texas.

Enclosed is a sample of our Family Fingerprinting Kit. Our kit is the only kit which includes an infant ID card for foot-printing and palmprinting a baby.

We can help you to enhance your Agency family protection philosophy. Call on us for our ID ideas.

Very truly yours,

DACTEK INTERNATIONAL, INC.
